1.	Livsmedelskonsumtion i Norden 1965–1998, nationell, årlig per capita-statistik. Tema Nord 2001:527. Jordbruksverkets statistikdatabas, 2023. www.jordbruksverket.se . *Uppgifterna från och med 1995 är inte jämförbara med tidigare år. För åren efter 1994 inkluderas samtliga sackaros-, fruktos-, glukos-, maltos- och maltodextrinprodukter oavsett framställningsmetod i beräkningarna, medan statistiken för åren före 1995 enbart räknar med sackaros och sackarosderiverade produkter
